## **FOR IMMEDIATE RELEASE**

**FROM:** Dusty Rhodes (513-946-4047)  
Hamilton County Auditor

Hamilton County Auditor Dusty Rhodes has just added a new and updated service to the public. Until now, when a property was transferred in the Auditor's Office, a four part Conveyance Form (DTE100 or DTE100EX) was required. For the convenience of the citizens of Hamilton County, The DTE100 and DTE100EX Forms will now be in a more user-friendly, one-page form and will be available on the Auditor's website, [www.hcauditor.org](http://www.hcauditor.org).

Rhodes said he has notified all law offices and title companies of this new, streamlined service which will be a more convenient and less time-consuming method of transferring properties.

"This should mean significant annual savings to the professionals who do transfers regularly", he said. Rhodes estimated there will be a savings of printing costs in the Auditor's Office of approximately \$5,000 per year.
